

Hizb ut-Tahrir is a political party and its detained Shabab in Tajikistan are prisoners of opinion

Indeed Hizb ut-Tahrir is a political party based upon Allah (swt)'s command:

{وَلْتَكُنْ مِنْكُمْ أُمَّةٌ يَدْعُونَ إِلَى الْخَيْرِ وَيَأْمُرُونَ بِالْمَعْرُوفِ وَيَنْهَوْنَ عَنِ الْمُنْكَرِ وَأُولَئِكَ هُمُ الْمُفْلِحُونَ}

"Let there arise out of you a group of people inviting to all that is good (Islâm), enjoining Al-Ma'rûf (i.e. Islâmic Monotheism and all that Islâm orders one to do) and forbidding Al-Munkar (polytheism and disbelief and all that Islâm has forbidden).

And it is they who are the successful." [TMQ Aal-Imraan 003:104]

Its aim is to resume the Islamic way of life through re-establishing the Khilafah al Rashidah. The hizb has decided its course of action to achieve authority according to the methodology of the Prophet (saw), and it will not digress or waver from this path even by an inch. The hizb relies on the intellectual and political struggle without undertaking material action (violence) because material action is against the Prophet (saw)'s way to achieve authority.

The hizb is a global party working in about fifty countries. Ever since its inception in 1953, its activities clearly bear witness to the fact that it does not divert from its course even as much as breadth of hair. Even in Tajikistani, it has followed the same method and continues to engage in intellectual and political struggle to achieve its objectives.

The hizb in Tajikistan reminds that it is a political party and its shabab who have been detained by the Tajik authorities are prisoners of opinion. They are being arrested and are punished for being steadfast on their religious convictions and the activities of the hizb in Tajikistan bear clear witness to the claim.

Owing to the bankruptcy of the Tajik regime, since 1999, it has used barbaric means of torture in dealing with the dedicated and sincere shabab (youth) of the hizb, who are part of this Ummah and belong to this land. President Rahmanov and his criminal gang of scholars who have sold their deen for this world, supports such torture and detention either directly or indirectly. Indeed the local and the external media such as the radio 'Azadi', the 'BBC', 'Millat' magazine etc as well as the so-called organisations supporting human rights, like the 'Human Rights Organisation' and UNOHR in Tajikistan have, by their silence and lack of concern, been assisting the treacherous regime in its crimes. Meanwhile the sincere shabab of the Hizb ut-Tahrir are being subjected to punishments and torture and long years of detention merely for holding on to their opinions and convictions. It is strange that the judiciary, the parliamentary deputies, the lawyers, human rights activists, the general media as well as the people, are all fully aware that the allegations against the shabab of the Hizb ut-Tahrir are merely false accusations, fabricated and baseless, yet they all choose to remain silent. In the last ten years, over 300 shabab of the Hizb ut-Tahrir have been sentenced to long jail terms and spent their sentences in detentions while more than ten shabab have lost their lives behind the thick walls of the security and prisons. Even today close to 300 shabab are languishing in jails, not for anything, but for holding their opinions and convictions. May Allah (swt) favour them all with His reward and bestow patience to them!

As for President Rahmanov and his criminal cohorts, we warn them again that any person, group or country that attacks Islam and its Da'wah will be accordingly accounted for his actions by the soon-to-come Khaleefah who will punish them as provided for in the Sharee'ah. On the day Makkah was opened, such people were ordered to be killed by the Prophet (saw) even if they hid behind the curtains of the Ka'bah. This is not enough, on the day of Judgement; they will receive even severe punishment from Allah (swt). Now the only option such criminals have is to cease their treachery and put an end to their crimes before it is too late, repent and seek pardon from Allah (swt), may be one of the victims of their treachery saves them from their own self.

We herewith name the shabab of Hizb ut-Tahrir who are languishing in jails so that the Ummah comes to know of its heroes and stands up to confront the treacherous ruler. Let the president and his criminal cohorts know that all these tortures and detentions will not break the resolve of Hizb ut-Tahrir's shabab. Let them know that a large number of shabab who have spent years in jails and have been arrested more than once, are still working with the Hizb ut-Tahrir. This list of names is being presented so that in the wake of regime's oppressions, those who continue to maintain silence and lips closed do not have any last defence in front of Allah (swt).

We remind the sincere adherents of Islam of the words of the Prophet (saw), who said:

"تَأْخُذْنَ عَلَى يَدِ الظَّالِمِ وَلِتَأْطِرْنَهُ عَلَى الْحَقِّ أَطْرًا وَلِتَقْصُرْنَهُ عَلَى الْحَقِّ قَصْرًا أَوْ لِيضْرِبَنَّ اللَّهُ بِقُلُوبِ بَعْضِكُمْ عَلَى بَعْضٍ ثُمَّ لِيَلْعَنَكُمْ كَمَا لَعَنَهُمْ"

"Seize the hands of the oppressor and hold and restrict him to the Truth exclusively on the right, or Allah will strike your hearts against each other and you will be cursed as they (Bani Israel) were cursed. "

and also remind the dedicated Muslims of the words of the Prophet (saw):

"إِذَا رَأَيْتَ أُمَّتِي تَهَابُ أَنْ تَقُولَ لِلظَّالِمِ يَا ظَالِمُ فَقَدْ تَوَدَّعَ مِنْهَا"

"If you see any of my Ummah being unjust, denounce him as an oppressor and abandon him"

Indeed the Shabab, brothers and sisters of the hizb have pledged to Allah (swt) that they will always emulate and follow the example of His Prophet (saw) as narrated in an hadeeth that when the Quraish decided to expel the Prophet (saw) from the Ka'bah, he said: "...By Allah, I will continue to strive for the mission for which Allah sent me, until either this (deen) is victorious, or they sever my neck.

And we have firm and unshakable faith in the promise of Allah (swt):

{وَعَدَ اللَّهُ لَأُخْلِفَ اللَّهُ وَعْدَهُ وَلَكِنَّ أَكْثَرَ النَّاسِ لَا يَعْلَمُونَ}

"until the Promise of Allâh comes to pass. Certainly, Allâh breaks not His Promise." [TMQ ar Ra'ad 13:31]

{كَتَبَ اللَّهُ لَأُعَلِّبَنَّ أَنَا وَرَسُولِي، إِنْ اللَّهُ قَوِيٌّ عَزِيزٌ}

"Allâh has decreed: "Verily, it is I and My Messengers who shall be the victorious." Verily, Allâh is All-Powerful, All-Mighty." [TMQ al Mujadilah 058:021]
