

The Jewish leaders order their army to kill us in the Golan, Maroun al-Ras and Beit Hanoun, yet the rulers of the Muslim lands surrounding Palestine order their armies to kill their own people!

15th of May 2011 - the anniversary of the usurping of Palestine – was a long day in the blessed land and its surroundings, as the Jewish entity set its army loose on the unarmed people of Palestine, Lebanon and the Golan...killing tens and injuring hundreds, filling the air with smoke from shells, and soaking the pure earth with blood.

Yet even the sounds of bullets, the roaring of planes, the rumbling of heavy artillery, the rising smoke was not enough to awaken the rulers of the lands surrounding Palestine from their slumber. Moreover they have taken their own people as enemies rather than rightfully taking those who have usurped Palestine and its surroundings as their enemies, storming it with destruction and corruption. These massacres by the Jewish entity were not enough to return these rulers to their right minds and turn their attention towards the enemy. Instead, these rulers are busy in fighting their own people on account of their protesting against oppression and tyranny. They have mobilized tanks, private forces and republican guards against their people, making the cities and villages the battlefield, instead of the frontier of the occupied land in Palestine, Lebanon and the Golan!

O Muslims, O People: these rulers continue to try to deceive Allah SWT whilst it is Allah SWT who deceives them. They say they are the enemies of Zionism and Imperialism, while they oppress and suppress. The people remain silent on their oppression on the pretext that they are in a state of war with the Jewish entity, and that they intend the liberation of Palestine, from the river to the sea. Yet they have done nothing and moreover ended up losing the river, the sea and everything in between to the authority of the Jews! They recognized the Jewish entity upon what was usurped of Palestine in 1948, and resigned to negotiation over whatever the enemy accepts to give them of what was seized in 1967, or what was occupied of the surroundings of Palestine, even without full sovereignty or authority!

Those openly carried out reconciliation with the Jews, with disgrace and humiliation are the same as those who took the path of what was in effect a peace treaty, but were referred to as resisters, to the extent that the borders with the Jews of these 'resisters' in the Golan were even more secure for the Jews than other frontiers, and to the extent that some of them held that the stability of Syria depends on the stability of the Jewish state!

The state of the rulers has become such that they will not even protect unarmed people moving to touch the soil of the blessed land, the people are prevented from doing so by the Arab rulers even before they are prevented from doing so by the Jews. Had it not been for the fact that the Arab rulers are occupied with moving their armies against their own people and have therefore left open some of the borders with the Jews, the people would not have even had the opportunity to move towards the occupied blessed land. Who would have believed that people are able to reach the Golan whilst the Syrian regime's men and henchmen are near the border?!

O Muslims, O People: the survival of the Jewish state, occupying the Blessed Lands of Palestine, is not due to its own power. Rather, it is due to the betrayal of the rulers and their collusion with the disbelieving colonial powers that made this state. Anyone who witnessed what took place in the Golan, Maroun al-Ras, on the checkpoint of Qalandiya and on the outskirts of the Beit Hanoun, and thinks about the anxiety and agitation that struck the enemy leaders as they faced defenseless people will realize that this entity is a fragile entity, with crooked foundations, at the point of collapse. The Prime Minister announced that what had occurred threatened the existence of the Jewish state. As such the anxiety and agitation did not only strike the Jewish state at low levels, but at every level including the very top, with the Prime Minister declaring that the march of unarmed people threatens the state! So what if there was a march from an army preceding these people, purifying for them the Earth from the filth of the oppressing Jews, and allowing the people to restore honor to the blessed land, joyous upon the victory from Allah?

How would it be if that happened, whilst it is **an Islamic obligation**? Indeed, even if it were less than that: an army merely protecting the back of the unarmed marchers, firing back only when they are fired upon? Would the enemy then dare to attack these marchers and kill them? Is it not time that the enemy that is affected by unarmed marchers to taste something of his own blood such that he forgets the whispers of Satan?

O Muslims, O Armies that surround the Jewish entity,

How does the blood in your veins not boil whilst you witness the blood of your brothers being spilled? How do you remain silent upon your rulers whilst they do not call on you to fight your enemy who kills your brothers and exploits your land? How do you not fight your enemy but at the same time you fight your own people? Is there not a righteous man amongst you who would put an end to these rulers who have sold the land and its people and collaborated with the colonialist disbelievers and the Jews to allow the Jews to have authority and control in Palestine and its surroundings?

Do not the words of Allah, the Exalted, invoke fear in you:

وَلَا تَرْكَبُوا إِلَى الَّذِينَ ظَلَمُوا فَتَمَسَّكُمُ النَّارُ وَمَا لَكُم مِّنْ دُونِ اللَّهِ مِنْ أَوْلِيَاءَ ثُمَّ لَا تُنصَرُونَ

“And incline not to those who do wrong, or the Fire will seize you; and you have no protectors other than Allah, nor shall you be helped.” (Hud: 113)

Do you not contemplate on the ahadith of the Messenger of Allah (saw):

“إِنَّ النَّاسَ إِذَا رَأَوْا الظَّالِمَ فَلَمْ يَأْخُذُوا عَلَى يَدَيْهِ يوشك أن يعصمهم الله منه بعقاب”

“When the people see an oppressor and do not prevent him, it is but close that Allah will envelop them all in a punishment from Him.” (Ahmad, Abu Dawud)

O Rulers in the Muslim lands: The intelligent one is he who takes heed from the lessons of others. The events occurring these days are signs for you, if only you took heed. Those more powerful and more repressive than you have gone and been humiliated. Their power and authority did not benefit them. Their henchmen and agents did not stand by them. Even their colonial masters threw them by the side of the road!

Indeed, Hizb ut-Tahrir advises you, even if you are of those who do not like sincere advice!

You have transgressed in respect of your deen, your Ummah, your land, and yourselves:

In respect of your deen: you threw Islam behind your backs, and waged war against the Khilafah and those who work for it, and you sought the rule of *taghut* whilst you were commanded to reject it.

In respect of your Ummah: you allied with her enemy, the colonial disbelievers and the Jews, and you ruthlessly oppressed her.

In respect of your land: you lost Palestine and its surroundings, Kashmir, Cyprus, East Timor, South Sudan, and many other Islamic lands.

In respect of yourselves: you brought yourselves to humiliation and disgrace in this world, and have exposed yourselves to a severe torment in the next.

Thus, if there remains with you any ounce of sensation, you would step down, before you are made to step down and punished by the Khilafah when it is established, by the leave of Allah (swt), an establishment that is inevitable.

وَلَا تَحْسَبَنَّ اللَّهَ غَافِلًا عَمَّا يَعْمَلُ الظَّالِمُونَ إِنَّمَا يُؤَخِّرُهُمْ لِيَوْمٍ تَشْخَصُ فِيهِ الْأَبْصَارُ * مُهْطِعِينَ مُقْنِعِي رُءُوسِهِمْ لَا يَرْتَدُّ إِلَيْهِمْ طَرْفُهُمْ وَأَفْئِدَتُهُمْ هَوَاءٌ

“Deem not that Allah is unaware of what the wicked do. He but gives them a respite till a day when eyes will stare (in terror), as they come hurrying on in fear, their heads upraised, their gaze returning not to them, and their hearts as air.” (Ibrahim: 42-43)
