Press Release

There can be no bilateral talks with the Indian government while Indian BSF men are killing soldiers of Bangladesh

Chief Coordinator and Spokesman of *Hizb ut-Tahrir* in Bangladesh Mohiuddin Ahmed in a press release issued today expressed deep concern at the killing of two Bangladesh Rifles soldiers by Indian BSF men in the Chapai Nababganj district border. He said that Indian forces carried out these murders in an arrogant manner while the Bangladeshi and the Indian foreign secretaries are having bilateral talks in India. These intentional killings demonstrate that although the government of Bangladesh prefers to act in a feeble manner towards India by participating in meaningless talks, India is expressing her strength in the language of weapons.

Even after this horrendous murders the foreign secretary of Bangladesh is continuing the so-called friendly discussions with the murderer Indian government. This exposes the Fakhruddin government's spineless mentality. It is because of the puppet governments in the Muslim countries that the disbelieving imperialist countries like US-India-Britain are able to freely murder innocent Muslims – civilians and soldiers. Nevertheless these treacherous rulers continue with the so-called dialogue and negotiations with the murderous imperialists.

Mohiuddin Ahmed said India is a proven enemy of Bangladesh. Only the agents of India can consider friendly relations with Indian governments. The Muslims of Bangladesh will give appropriate response to the Indian aggression by establishing the Khilafah government on the basis of the Qur'an and the Sunnah.

Mohiuddin Ahmed demanded that the Bangladesh government immediately end all discussion with the Indian government and cancel the Indian Army Chief's forthcoming visit to Bangladesh.
