Press Release

Re-establishment of Khilafah is the most important duty of the Muslims

Hizb ut-Tahrir, in Bangladesh organized a seminar today at the National Press Club on the subject “**Khilafah: The Only Way Forward for the Muslim Ummah.**” About 1000 people from all walks of life attended the seminar which was organized as part of the global campaign by *Hizb ut-Tahrir* on the occasion of the destruction of the Khilafah on 28th Rajab 1342 AH (3rd March 1924). Chief Coordinator and Spokesman of the party Mohiuddin Ahmed and senior member Ahmed Jamal Iqbal delivered the speeches at the seminar. The seminar was chaired by Deputy Spokesman Kazi Morshedul Haque and members of the party – Mowlana Mamunur Rashid, Mustafa Minhaz, Mawlana Raqib, Mamunur Rashid Ansari, Zituzzaman Hoque and Kaiser Shahnawaz – were present on the panel.

The first speech was delivered by Ahmed Jamal Iqbal. In his speech titled “**Glorious History of the Muslim Ummah Under the Khilafah,**” he said after the establishment of the Khilafah state in Medina, the Arabs who were living in darkness established a society based on justice. The Khilafah did not just enlighten the Arabs; rather it’s light spread to different corners around the world by defeating the Roman and Persian Empire in a short span of time. Muslims viewed Khilafah as an obligation while the non-muslims citizens viewed it as a rule of justice and liberation from man’s slavery.

Throughout the history, Khilafah provided mankind with an economic policy based on justice, citizen’s right irrespective of race or religion, accountability of the ruler, strong foreign policy etc. Mankind progressed under its leadership and found peace, security and true prosperity under its shade. It is an undisputed historical fact that for more than 1300 years the Khilafah state led the world politically, militarily economically, spiritually and intellectually.

Enemies of Islam conspired against the Khilafah and finally destroyed it with the assistance of Mustafa Kamal (Allah’s curse be upon him) in 1924. After the destruction of Khilafah, the Muslims all over the world are being oppressed by the disbelieving nations. The sufferings and afflictions of Muslims are increasing every day. Only re-establishment of Khilafah can liberate the Muslims from the current sufferings and oppression.

In the second speech titled “**Current Crisis of the Muslim Ummah: Khilafah is the Only Way Forward,**” Mohiuddin Ahmed said that after embracing the aqeed’ah of Islam, working for establishing the Khilafah so as to resume the rule by what Allah (SWT) has revealed is one of the most important obligations upon the neck of a Muslim. It is because of the absence of the Khilafah state that the Western imperialist nations have been able to divide the Muslim Ummah into pieces and impose puppet rulers like Musharraf, Karimov, Bashar, Mubarak, Karzai, Abbas and Fakhruddin upon the Ummah. The Muslims today are divided and weak to the point that when America and her allies are launching their aggression upon one Muslim country after another in the name of ‘the war against terror’, there does not exist one single ruler in the Muslim world to bravely stand up for Islam and the Muslims.

At the same time the capitalist ideology with its slogans of freedom and democracy is implemented upon the Muslims today which has failed to bring any good for the Ummah.

With the return of the Khilafah, America and the capitalist West will be defeated. Their failure to face the resistance of the Muslims in Iraq and Afganistan clearly points to this fact. The puppet rulers they have imposed over the Ummah will not be able to suppress the movement for establishment of Khilafah. According to the promise of Allah (SWT) and His Messenger (SAW), the Khilafah will be re-established soon.

After the speeches were delivered there was a question and answer session for about 45 minutes. The members of *Hizb ut-Tahrir* on the panel answered people's questions regarding the method to establish the Khilafah state, how the Khilafah will unify the Ummah and become the leading state, what will be the state's policies on energy crisis, price hike etc and how it will deal with the imperialist attempt to attack and destroy it. They called upon the Ummah to engage in the work for re-establishing the Khilafah with utmost effort and speed so as to abolish the rule by kufr and resume the rule by what Allah (SWT) has revealed.
