### Press Release

**All the members and activists of *Hizb ut-Tahrir* arrested in Rajshahi must be released within the next the 48 hours; otherwise the party will launch a strong protest movement**

***Hizb ut-Tahrir Bangladesh*** organized a meeting today at the Engineers Institution, Dhaka protesting the arrests of senior party members and activists in Rajshahi. Main speaker of the program Maulana Mamunur Rashid responded to the allegations made against the party. He said organizing a press conference is a legal political activity; it is neither a crime nor a terrorist activity. ***Hizb ut-Tahrir*** is a non-violent global political party and no one can furnish a single piece of evidence of any violent activity by the members of the party anywhere in the world. In response to the allegation that ***Hizb ut-Tahrir*** is an anti-government party, Maulana Mamun said that it must be clear to everyone that ***Hizb ut-Tahrir*** works to establish the Khilafah state and therefore the party is against all governments not based on the Khilafah ruling system. We were against the Awami league and BNP alliance governments. We are also against all the anti-people and anti-Islamic activities of the current caretaker government. Protesting against the government and its activities is a right of the people and a duty upon the Muslims.

Maulana Mamun added further that the people still remember the Prothom Alo group's heinous crime last Ramadhan insulting our beloved Rasulullah (SAW). Similarly, the caretaker government not long ago tried to introduce inheritance law contradicting the Qur'an under the guise of women development policy. Now the Prothom Alo group, and the Fakhruddin government and other agents of the disbelieving imperialists who do not want the Muslim Ummah to rise are conducting media propaganda and using force against ***Hizb ut-Tahrir*** which is working to lead the Muslim Ummah to become the leading nation of the 21st century.

After Maulana Mamun's speech, Chief Coordinator and Spokesman of the party Mohiuddin Ahmed declared the next steps of the party to free those who have been arrested. He protested the arrests of members and activists of the party and demanded their release. He said no amount of oppression and propaganda will be able to stop the movement of establishing the Khilafah. By the will and the help of Allah (SWT), ***Hizb ut-Tahrir*** will establish the Khilafah by removing all the agent rulers in the Muslim world. He declared the following demands from the meeting:

1. All those arrested in Rajshahi must be released unconditionally within the next 48 hours.
2. The government must stop all anti-Islamic activities.
3. The government must stop harassing leaders and activists of ***Hizb ut-Tahrir*** and the sincere Islamic movements.

If the government fails to release the arrested leaders, ***Hizb ut-Tahrir*** will be forced to declare strong mass agitation programs.
