Press Release

***Hizb ut-Tahrir Bangladesh* holds protest meeting demanding the release of party members and activists**

Chief Coordinator and Official Spokesman of ***Hizb ut-Tahrir in Bangladesh*** Mohiuddin Ahmed demanded the immediate release of ten members and activists of the party arrested in Rajshahi on 18/09/08. At a protest meeting organized at the party's central office today, he said the administration illegally arrested the party members and activists for trying to hold a press conference. We condemn these arrests and demand their immediate release. Mohiuddin Ahmed also said we will strive forward and ignore the false media propaganda in our way of re-establishing the Khilafah. We will also face the government with courage, strength and patience. The path of victory will surely begin after difficulties and sufferings.

Mohiuddin Ahmed further added that ***Hizb ut-Tahrir*** follows the method of RasulAllah (SAW) in its work for re-establishing Khilafah. This method involves undertaking the work of generating public opinion and awareness about Islam as a political ideology. It also involves undertaking political struggle against the corrupt rulers, winning the support of the people of power and mobilizing the people. This is the method that ***Hizb ut-Tahrir*** adopted since the establishment of the party and we are steadfast on this method relying on Allah (SWT) for success. Undertaking violent activity in the way of establishing the Khilafah is clearly and completely forbidden in Islam. ***Hizb ut-Tahrir*** is a non-violent global political party and no one can furnish a single piece of evidence of any violent activity by the members of the party anywhere in the world in the last half century. This is also proven from our activities in the last eight years in Bangladesh. We always undertake our political programs in accordance with our adopted method and we will not announce any programme of activity which threatens public security and peace. At the same time we want to make it absolutely clear that ***Hizb ut-Tahrir*** does not adopt the method of compromise and participating in the corrupt system to reach its goal. If any one participates in the current political process, they will be forced to make compromise with the imperialist nations like US, Britain and India. Participating in the corrupt system is not the method to re-establish the Khilafah and Muhammad (SAW) never compromised with the corrupt oppressive rulers in Makkah.
