Press Release

**Israeli atrocities in Gaza proves that only a Muslim army can stop  
the illegal occupation**

Chief Coordinator and Official Spokesman of *Hizb ut-Tahrir in Bangladesh* Mohiuddin Ahmed said in a press release issued today that after months of a brutal siege, the illegal Jewish state of Israel attacked and massacred men, women and children of Gaza using bombs and missiles. These Israeli atrocities prove that only a united Muslim army can stop the illegal occupation and liberate the Muslims of Palestine. He further said that the agent rulers of Muslim states are responsible for this situation. The government of Egypt has stopped giving aid to the Muslims of Gaza. The King of Saudi Arabia supported the disbelieving US-Israel in the name of so-called peace process. Only Khilafah state can unite the Muslim Ummah and its army; and give proper response to all aggressions against the Ummah
