Press Release

**Only the Khilafah state can fulfil the demand voiced by the Ummah to mobilize the Muslim armies against Israel**

Around 3000 people attended a demonstration today organized by *Hizb ut-Tahrir in Bangladesh* after Jumma prayers outside the national mosque protesting against Israeli aggression in Palestine. Official Spokesman of the party Mohiuddin Ahmed and Deputy Spokesman Kazi Murshedul Haque delivered speeches. The speakers said after months of a brutal siege, the illegal Jewish state of Israel is massacring men, women and children of Gaza on a daily basis. The agent rulers of Muslim states are standing by and collaborating with the Jewish enemy in this situation. The rulers are arresting army officers who want to fight Israel. They are executing the agenda of the imperialists US, UK, France and UN who are all partners in the Israeli crime. This is part of a long history of betrayal of the cause of Palestine by the agent rulers. These rulers have been signing treaties with the state of Israel, working to normalise relations between this illegal entity and the Muslim countries and they also oppose any resistance to the occupying state of Israel. That is why Ben Gurion, the first Israeli PM regarded the Muslim rulers to be in the Israeli camp when he said that the Arab regimes are the first line of defence for Israel.

The speakers said the Israeli atrocities prove the need for a united Muslim army to stop the Israeli occupation and liberate the Muslims of Palestine. This is the demand now being raised by the Ummah around the globe. Only Khilafah state can unite the Muslim Ummah; impose a land, sea and air blockade around Israel; and lead the Muslim army into a decisive war inflicting a heavy defeat upon the Jewish state.

Participants at the demonstration held up banners and placards which said – ‘Oh Muslim Armies of Egypt, Syria, Jordan, Pakistan, Bangladesh... March to liberate Palestine, the Muslim Ummah is with you’; ‘Oh Muslim Armies! The UN is a partner in Israeli crime; stop serving in its so-called peace keeping missions’; and ‘Oh Muslim Armies! Remove the agent rulers and re-establish the Khilafah which will lead you to the battle against the Jewish enemy’
