Press Note

**Muslim armies must move to remove the traitor rulers and establish the
Khilafah to liberate Palestine**

Hizb ut-Tahrir in Bangladesh organized a seminar today at the National Press club on the subject: 'Attack on Palestine – Inaction and Treachery of Muslim Rulers: What is the Way Forward?' Deputy Spokesman Kazi Murshedul Haque chaired the event. Member of *Hizb ut-Tahrir* Mustafa Minhaz and Official Spokesman of the party Mohiuddin Ahmed delivered the speeches. In the first speech Mustafa Minhaz described the history of betrayal by the rulers of Muslim countries. He said in 1948 the rulers collaborated in the establishment of the Jewish state. Since then they have 'fought' phony wars and concocted the myth of the invincibility of Israel. This was done with the purpose of consolidating the Jewish state so that they may surrender the Holy land by signing so-called peace treaties with the state of Israel and crushing any resistance to the occupying state of Israel.

In his speech Mohiuddin Ahmed said the agent rulers are standing by and collaborating with the Jewish enemy who has been massacring men, women and children in Gaza for three weeks on a daily basis. The Israeli atrocities prove the need for a united Muslim army to stop the Israeli occupation and liberate the Muslims of Palestine. This can only be done by re-establishing the Khilafah; the shield of the Muslim Ummah. The Khilafah state will unite the Muslim Ummah; impose a land, sea and air blockade around Israel; and lead the Muslim army into a decisive war inflicting a heavy defeat upon the Jewish state.
