Press Release

**America bans *Hizb ut-Tahrir in Bangladesh*; her aim is to remove the obstacle in the way of her evil plans to subjugate the Muslims of Bangladesh**

On Thursday 22 October the head of the crusaders, America decided to announce the banning of ***Hizb ut-Tahrir in Bangladesh*** and all activities of the party. Her decision comes after she sensed the sound awareness of the party in exposing imperialist designs and the determination of the party to foil the evil plans to subjugate the Muslim Ummah. The Americans have noticed how ***Hizb ut-Tahrir*** exposed the imperialist conspiracy to destroy the BDR and the armed forces of Bangladesh. America is right now engaged in executing a grave conspiracy to impose her total control over Bangladesh. They know that ***Hizb ut-Tahrir*** is the obstacle in the way of her evil plans. This is what led America to announce her decision to ban the party and place the spokesman of the party Mohiuddin Ahmed under house arrest. The crusader America's fears of ***Hizb ut-Tahrir*** is confirmed from the hurried and desperate measures she took to flout her own so-called values of democracy, free speech and human rights when she ordered her loyal regime in Bangladesh to stop the party's spokesman from addressing the media.

***Hizb ut-Tahrir*** wants to make it clear to the people including intellectuals, ulama, politicians, and the sincere people of power that the Americans are going full steam ahead with their plans to subjugate Bangladesh. This avowed enemy of Islam after creating destruction in Iraq, Afghanistan, and Pakistan and with her hands drenched in Muslim blood has now set her sight on Bangladesh. She has designed a plan to control the army, navy and air force of Bangladesh. America recently ordered the Bangladesh government to build an airbase in Cox's Bazaar which will serve her purpose for the region. This is in addition to her desire for establishing naval presence in the Bay of Bengal. Furthermore the American embassy announced early this month that they will hold joint military exercise in Chittagong titled 'Tiger Shark' in November. And before that she called the head of the Bangladeshi regime to Washington instructing her to send more troops to UN peacekeeping missions so that the Muslim soldiers serve American interests such as guarding over the diamonds of Africa in exchange for a few dollars while the American soldiers can go round killing and torturing Muslims unhindered. All of this is beside her plans to impose control over the economy and loot the resources of the country through treaties such as TIFA. On top of that America is trying to prevent the rise of Islam and delay the re-establishment of Khilafah which ***Hizb ut-Tahrir*** is working for and the party is close to achieving this goal.

O Muslims! America is an enemy to the country and she is making these plans against you whether you are part of a political party or not; whether you are a member of ***Hizb ut-Tahrir***, Awami League, or BNP. America decided to ban ***Hizb ut-Tahrir*** because it is the party which is dedicated to the cause of Islam and exposing the imperialists' plans against the Ummah. So raise your voice against the American enemy and the government's subservience to her. Otherwise your silence only gives strength to America enabling her to execute her plans.

As for the banning of **Hizb ut-Tahrir** and putting the party's spokesman under house arrest let America know and her loyal regime in Bangladesh know that the Mushriks of Quraysh also put sanctions on the Prophet of Islam (SAW) and his sahaba before they did and Allah (swt) freed them. And He (swt) made the deen of Islam victorious over all other deens.

**Truly, Allah defends those who believe. Verily Allah likes not any treacherous ingrate to Allah.** (TMQ 22: 38)

And let them know that Allah (swt) and the Muslim Ummah are **Hizb ut-Tahrir's** support and strength whereas their support is Shaitan.

**And whoever takes Shaitan as a Wali (protector or helper) instead of Allah, has surely suffered a manifest loss** (TMQ 4: 119)

O intellectuals, ulama, politicians, and sincere people of power! Stop America before it is too late. Before she consolidates her foothold in the country like she has done in Pakistan, Afghanistan and Iraq. Stand with **Hizb ut-Tahrir** and give your support to the party in re-establishing the Khilafah which will rule by the Qur'an and Sunnah, build a strong military and eliminate US-India-British control over the Muslim Ummah.

**O you who believe! Answer the call of Allah and His Messenger when he calls you to that which gives you life** (TMQ 8: 24)
