Press Release

The corrupt regime resorts to closing bank accounts of sincere politicians while it loots the wealth of the people and protects black money owned by its cronies

Reports were published in various newspapers yesterday (02 December, 2009) that the government is planning to permanently close bank accounts in the name of Mohiuddin Ahmed, the Official Spokesman of **Hizb-ut-Tahrir in Bangladesh**. The government had already imposed a temporary freeze on the accounts of Mohiuddin Ahmed immediately after it banned **Hizb-ut-Tahrir** at the behest of the imperialists. The draconian measures taken by the government to ban the party; keep the party spokesman under house arrest and prevent the deposits and withdrawal of his salary payments reveals the regimes malicious attitude towards Islam and those who carry the message of Islam. This corrupt regime has resorted to freezing bank accounts of sincere politicians who struggle for the interests of the Muslim Ummah while it loots the wealth of the people, and protects black money stolen from the people by its cronies. The people of the country know very well the sincerity and dedication of **Hizb-ut-Tahrir** and its members. The people are also fully aware that the politicians given birth by the corrupt secular-democratic system are the pioneers in looting and money laundering. Furthermore they receive huge sums from foreign embassies and corporations as a price for serving their imperialist masters.

As for the claim of **Hizb-ut-Tahrir's** link with terrorism, it is well known that **Hizb-ut-Tahrir** is a political party which carries out political actions and does not use violence as means for its struggle. **Hizb-ut-Tahrir's** intellectual-political call to Islam is sufficient to shake the weak regimes that are in power with the backing of their imperialist masters, US and Britain-India. These disbelieving-polytheist states are the real sponsors of terrorism all over the world including Bangladesh. In fact, they are the real terrorists. Furthermore the people know that ever since the current government took power, all acts of terrorism in country have been undertaken by Awami League gangs. The only way to eliminate the use of violence as political means is to ban secular politics and throw out the imperialists.

When the Khilafah is re-established soon by the Will of Allah (SWT), the Muslim Ummah will not only close the accounts of these corrupt politicians and take back her wealth; the Ummah will also ban their secular democratic politics and permanently close the embassies of the imperialist USA, and Britain-India who sponsor this politics of deceit, violence and terror.
