The government of Sheikh Hasina fabricates cases against the Official Spokesman of *Hizb-ut-Tahrir*, in Bangladesh, Mohiuddin Ahmed

The government of Sheikh Hasina is making a mockery of the so-called rule of law and democracy which they and their imperialist masters trumpet by fabricating cases against the Official Spokesman of *Hizb-ut-Tahrir*, in Bangladesh, Mohiuddin Ahmed. They had him under house arrest for six months, during which police guarded his front door and the locality preventing him from leaving his home. Now these lying degraded oppressors are alleging that he organized the activities of *Hizb-ut-Tahrir* even though they confiscated his phone and computer, cutting off all his means of communication. Furthermore these tyrants did not even allow him to leave his house to visit his baby daughter in hospital without armed police around him. During this whole time they did not even claim to have a single piece of evidence against him.

After seeing that their repressive measures bore no fruits in deterring the party, they rushed to arrest him no sooner they received the orders from the imperialists. Taking lessons from their masters who are the experts in trampling upon people's rights, the government sent the police at 2.00am to force into his house like bandits do. They repeatedly lied to his wife about where they were taking him and his whereabouts. Later they presented him in court through the back entrance denying him access to a lawyer. Then they despicably barked lie upon lie in front of the judge and the media alleging that Mohiuddin Ahmed, while under the nose of the police, organized three activists of the party in Uttara two days ago against whom they filed false cases of carrying petrol bombs. The truth is that the three activists were arrested for protesting against the government's failure to solve the national electricity, water and gas crisis and the only thing they were carrying is party leaflets.

Let Sheikh Hasina and her disbelieving and polytheist masters know that the Muslim Ummah is aware of their enmity towards Islam and considers their lies as nothing more than the braying of asses. And let them know that the Noble Ummah of Mohammad (SAW) will remain steadfast on her Deen and stand by the carriers of the Islamic call. Let them also take notice that *Hizb-ut-Tahrir* is not dependent on one person; the members of the party are all leaders and aware politicians. The party will continue its work with the support of the Ummah, relying upon the Help of Allah (SWT), to whom belongs the dominion of the heavens and the earth and all that is between.
