### Press Release

#### **The arrest of Kazi Murshedul Hoque proves that the government has become desperate in repressing *Hizb-ut-Tahrir* in order to serve their imperialist masters**

After the corrupt oppressive Awami League government, agents of US-India-Britain arrested ***Hizb-ut-Tahrir***'s Official Spokesman in Bangladesh, Mohiuddin Ahmed yesterday, they have today arrested the Deputy Spokesman (No. 1) of the party, Kazi Murshedul Hoque. ***Hizb-ut-Tahrir*** strongly condemns these arrests and demands that the government release both of them immediately and unconditionally. These arrests prove that the government has become desperate in repressing ***Hizb-ut-Tahrir***. The imperialists and their loyal regime in Bangladesh know that ***Hizb ut-Tahrir*** is the only obstacle in the way of their evil plans against the Muslims and it is the only party that is serious in its work for removing the imperialist influence from the country by uprooting their agents, and the corrupt capitalist system; and re-establishing the mighty Khilafah state.

The imperialists are going full steam ahead with their plans to subjugate Bangladesh. Particularly the leader of the crusaders, the avowed enemy of Islam, America after creating destruction in Iraq, Afghanistan, and Pakistan and with her hands drenched in Muslim blood has now set her sight on Bangladesh. This is clear from the military exercises by her murderous soldiers being conducted in the country, one after another. Only ***Hizb ut-Tahrir*** is exposing this to the Muslims and mobilizing them to resist this American plan to establish their military's presence in Bangladesh.

***Hizb-ut-Tahrir*** states clearly and unequivocally that the party cannot be silenced by repression. The party will continue to act as the voice of the Muslim Ummah and will continue its struggle together with the Ummah. Allah (SWT) willing the Khilafah will be re-established and the disbelieving imperialists will not succeed in their plans.

*"Indeed, they planned their plot, and their plot was with Allah, though their plot was not such as to remove the mountains from their places"* [TMQ Ibrahim: 46]
