### Press Release

#### **Sheikh Hasina has no boundary when it comes to bending over backwards to serve her masters**

The US ambassador to India Timothy J Roemer arrived in Dhaka yesterday to discuss India-Bangladesh relations and ways to strengthen counter 'terrorism' programmes. Roemer will have a meeting with Sheikh Hasina and a spokesman for the American Centre said, "Ambassador Roemer's meetings in Dhaka will focus on the growing prospects between Bangladesh and India for improved counterterrorism cooperation, trade and development, and regional integration." **Hizb-ut-Tahrir** has been repeatedly warning the people of the Hasina government's wretchedness in surrendering to the disbelievers and polytheists. Sheikh Hasina has no boundary when it comes to bending over backwards to serve her masters. Has she no shame that she is meeting the US ambassador to a third country? It is as if she is the Prime Minister of India. **Hizb-ut-Tahrir** is not at all surprised. The Americans are implementing the same project they implemented in Pakistan when they made General Musharaf and his successors in Pakistan collaborate with the polytheist state to prevent the rise of Islam as a political ideology in the region as well as to contain China. The crusader enemy has the same design for Bangladesh. No aware politician believes their nonsense talk about countering the so-called terrorism when what we witness is that the representative of the world's number one terrorist state is meeting the number one terrorist of this country.

**Hizb-ut-Tahrir** calls upon the Muslims to start an immediate political struggle against the imperialists and their agents. The imperialists installed Sheikh Hasina in power to serve their purpose. Crusader America and polytheist India reached a compromise whereby America will instruct the rulers in the region (especially Pakistan and Bangladesh) to solve the long standing issues with India which will free India's hands and then these two enemies of Islam can develop their partnership to consolidate their foothold in the region. Therefore we see that on the one hand Sheikh Hasina is giving in to India's demands and at the same time securing American presence in the country especially her military's presence so much so that Bangladesh has become a training base for America's murderous soldiers whose hand are drenched with the blood of Muslims in Iraq and Afghanistan.

**O People of Power! Hizb-ut-Tahrir** calls upon you to take immediate concrete steps to remove the Hasina government from power. She did not hesitate to conspire with her masters to kill the army officers in Pilkhana. She has now promoted Moinul Islam, who believes in friendship with the Indian enemy, to the rank of Lieutenant General and appointed him as the Army's Chief of General Staff. The longer Sheikh Hasina is allowed to stay in power the more she will conspire together with the crusaders and polytheists to transform the military of the country into force that serves the purpose of these enemies. So before it is too late, take steps to re-establish the Khilafah. Only the Khilafah can remove the imperialist influence from the country; so do not look towards the return of the BNP alliance to power, hoping that they can one day salvage the situation. You have a duty to the Muslims. The Ummah will be with you, not just in Bangladesh but globally. More than that you have a duty to Allah (SWT); you must respond to His orders. And put your trust in Him (SWT). You have nothing to fear and no one can harm you.

*"Verily, those who say: "Our Lord is Allah (Alone)", and then they stand firm, the angels descend on them (from time to time saying): "Fear not, nor grieve! But receive the glad tidings of the Garden (of bliss), which you have been promised! [TMQ, Ha-Mim Sajdah: 30]*
