Press Release

The government is engaged in destructive activities; not *Hizb ut-Tahrir*

The government of Sheikh Hasina, agents of US-India-Britain, is spreading false accusations against ***Hizb ut-Tahrir*** that the party was planning to undertake destructive activities. And the media which follow the government and serve the imperialists are publishing news of these baseless accusations as confessions made under interrogation by the party's spokesmen, Mohiuddin Ahmed and Kazi Murhsedul Hoque. The truth of the matter is that the agents of the imperialist hyenas, the treacherous Awami League government, similar to the governments which preceded it, is engaged in destructive activities against the country and the Muslims. They are busy hatching and implementing conspiracies against the country and its people, one after another. They are the ones plotted to kill the army officers and destroy the defence forces of the country. They have created a fake energy crisis in the country to make way for the imperialists and the capitalist corporations to take over the country's energy sector. They are the ones who are planning to establish and consolidate the presence of crusader America's murderous soldiers in the country. As for the accusation that ***Hizb ut-Tahrir*** has links with war criminals, the people of the country know very well that it is the so-called democratic parties who have formed alliances at various times with those whom they accuse of war crimes.

The disbelievers, the polytheists and their agents should know that Allah (SWT) foiled the plots of the disbelievers and polytheists against Muhammad (SAW) and the Sahabah (RA) and made Islam victorious over all other *deens*. In the same manner He (SWT) will destroy the conspiracies of the imperialists and their agents; fulfill His promise of the re-establishment of the Khilafah and the Muslim Ummah will be liberated from the domination the disbelievers, polytheists, and the Jews.

They wish to extinguish Allah's light with their mouths, but Allah will not allow but that His light should be perfected, even though the disbelievers may detest (it). [TMQ 9: 32]
