Press Release

Sheikh Hasina is handing over the Muslims of this country to crusader America and polytheist India

Hizb-ut-Tahrir distributed about 100,000 leaflets today after Jumma prayers at mosques across the country. The title of the leaflet is: 'O Muslims! Sheikh Hasina is handing you over to crusader America and polytheist India; overthrow her treacherous government before she succeeds.' In the leaflet the party said the imperialists installed Sheikh Hasina in power to serve their purpose. The Hasina government is implementing the American project of subjugating Bangladesh into collaborating with polytheist India to prevent the rise of Islam as a political ideology in the region as well as to contain China. Crusader America and polytheist India reached a compromise whereby America will instruct the rulers in the region (especially Pakistan and Bangladesh) to solve the long standing issues with India which will free India's hands and then these two enemies of Islam can develop their partnership to consolidate their foothold in the region. Therefore we see that on the one hand Sheikh Hasina is giving in to India's demands and at the same time securing American presence in the country especially her military's presence so much so that Bangladesh has become a training base for America's murderous soldiers whose hands are drenched with the blood of Muslims in Iraq and Afghanistan.

In the leaflet **Hizb-ut-Tahrir** called upon the Muslims to start an immediate political struggle against the imperialists and their agents, the treacherous Hasina government. The party also called upon the people of power to take immediate concrete steps to remove the Hasina government from power by giving *nusrah* (support) to **Hizb-ut-Tahrir** and handing over authority to the party to re-establish the Khilafah. Only the Khilafah can remove the imperialist influence from the country, and uproot their agents.
